

# Dominican Sisters of Mary Mother of the Eucharist

## Responding to God's Call

We were founded in 1997 to spread the witness of religious life across the country in response to St. John Paul II's vision for a New Evangelization.

In just under 20 years, we have grown from four Foundresses to over 130 Sisters from over 30 states, Canada and Australia at an average age of 32 years old.

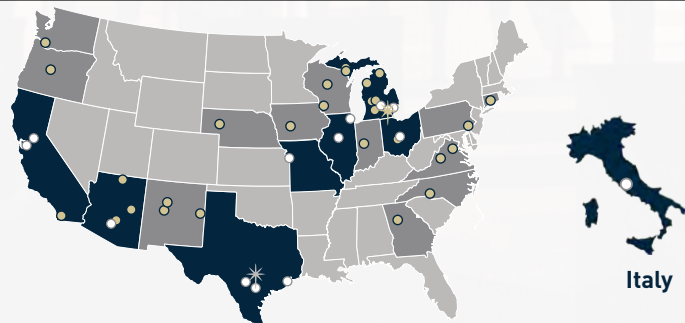

## Seeking the Source of All Joy

Everything we do begins in the chapel. With a particular Eucharistic and Marian devotion, we gather daily in communal prayer, beginning each day with a Eucharistic Holy Hour, Mass, and a renewal of our Marian consecration.

## Witnessing to the Joy of Consecrated Life

We actively seek to spread the witness of religious life across the country in many ways, including talks to youth and college students, summer teaching missions, pro-life witness, and continued use of new ways to engage the culture (media appearances—CBS, Fox, Oprah Winfrey, NPR; catechetical television programs; written materials; music CDs; and various forms of social media.)

Experiencing a **“different kind of vocations crisis,”** we've outgrown our Ann Arbor Motherhouse and are working to raise funds to continue supporting our operations and to build a Religious House outside of Austin, TX. This is the first step toward our vision of building Religious Houses in other parts of the country to witness and promote consecrated life.

## Forming Souls through Preaching, Teaching & Evangelization

Starting with our Motherhouse and two schools in Ann Arbor, Michigan, we have expanded nationally by establishing teaching missions at 19 other schools.

Our *Disciple of Christ, Education in Virtue*<sup>®</sup> program aims to educate young people and adults in living Christian virtue. Introduced in 2013, it is already in over 400 schools in 40 states and 8 countries.
